

## SELF-GENERATED COOPERATIVE EDUCATION EXPERIENCE

If you already have a job that can be used for the CO-OP work experience, please complete this form. You must also provide a copy of your job description on company letterhead, with your supervisor's business card attached. If you have been at your job for some time, the job description should include a new set of responsibilities to be completed while you are participating in CO-OP, because Cooperative Education is based on new learning experiences. Please return your paperwork to C-100 as soon as possible.
