## **VISION**

As the college moves into the twenty-first century, our vision is that of a learning community which values the contributions of all students, staff, faculty, and administrators in order to provide an unparalleled educational experience. We will support an ongoing process of improvement through continued assessment of our vision, values, practices and mission.

### **A LEARNING COMMUNITY**

We will develop the best possible educational environment, one that promotes learning, collaboration and shared responsibility. Using proven technological advances and a variety of instructional methods, we will enhance the learning process and maintain high academic standards.

### **A SERVICE COMMUNITY**

We pledge to evaluate and improve our services continuously and to communicate more effectively, creating an atmosphere of civility and trust.

### **A DIVERSE COMMUNITY**

We will respect the integrity of all persons and will build an inclusive community, enriched by its diversity.

### **A PARTNERSHIP COMMUNITY**

We will create partnerships with public and private institutions in fulfilling our mission. We will be vital and informed participants in the life of our county, state and country, responsibly using all public resources in the most efficient manner.

Finally, we welcome future challenges and are willing to take the initiatives necessary to continue to be a leader among community colleges.
