

Manage MyWebCT Course List

The My WebCT screen provides a single point of access to all your courses. To facilitate navigation, you can hide course links that you do not need for the current term. Hiding a course link does not remove the course or change your enrollment, access, or activity in the course. If you need the course link later, you can show the link.

Edit Course List

Use the controls below to show or hide courses on the Course List. Hiding a course does not remove the course or change your enrollment, access, or activity in the course.
