

AMERICAN LANGUAGE PROGRAM

The American Language Program (ALP) at BCC is for English language learners who have received the majority of their education abroad and have been in the US for fewer than eight years. The program prepares students for college level coursework in English.

Levels and Courses

The ALP is divided into four levels: Foundations (low beginner), Level 1 (high beginner), Level 2 (intermediate), and Level 3 (advanced). Each level is composed of four courses: Grammar (Parts A and B), Reading, Writing and Speaking/Listening. ALP courses do not earn college credit, but the grades achieved remain on the student's record and are reflected in the student's grade point average.

Placement

Students are placed into a level of the ALP from their scores on the Levels of English Proficiency (LOEP) test. This test measures proficiency in grammar, reading, writing, and listening. Students placed in the ALP must complete these courses before they are eligible to register for college courses in other subjects.

Full-time and Part-time Status

A student may register full-time or part-time in the program. A complete pattern is composed of 15 credits: 6 credits for Grammar A & B and 3 credits each for Reading, Writing, and Speaking/Listening.

Students who do not register for the entire pattern in one semester may register for 3, 6, 9 or 12 credits. However, there is a system of pre-requisites and co-requisites. Part-time students should seek advisement for proper course selection.

Other Courses
